## National Alcohol Screening Day

---

Good morning Eagles (insert school name or mascot here)! Today is National Alcohol Screening Day, a day for raising awareness about the harmful effects of alcohol abuse and alcohol dependency. These issues impact the brain, the body, and the family members of those who love alcohol abusers.

So today, at \_\_\_\_\_(insert name of school), we encourage you to take an alcohol screening test, or to encourage a family member to do so. Talking about such issues can be scary and intimidating. Our counselors are here to help if you or someone you know may have a problem with alcohol.

You will have the opportunity to learn more \_\_\_\_\_(insert text from checked boxes below).
